BIRTHDAYS

Celebrations will occur for birthdays, but sending treats to school is **not recommended** due to allergies and school policies. We will recognize each child in class on his/her birthday. Also, a treat bag will be given to them from the teacher.

MISC.

1. What goals do you have for your child during this school year?
2. How did your child do during distance learning in the spring?
3. How can we support you this year?
4. If we end up learning from home again at some point this year, where will your child be during the school day?
5. How is your child getting to and from school each day?
6. School calendar and paper from Mrs. Schwieters.

QUESTIONS

Please feel free to contact me with any questions you have at any time. I will do my best to answer them.

The image features a central white sign with a thick yellow border. The sign contains the text "LET'S HAVE A GREAT YEAR!". The words "LET'S HAVE A" are in a simple black sans-serif font. "GREAT YEAR!" is in a larger, bold, multi-colored font where each letter is a different color (dark blue, light blue, yellow, dark blue, light blue, yellow, dark blue). The background is a vibrant, whimsical illustration with raindrops in various colors (blue, yellow, pink), clouds in various patterns (solid, dotted, striped, wavy), and rainbows at the top. The bottom of the image is dominated by large, dark blue, stylized bushes or trees with a cross-hatched texture.
